

DON'T LOOK AWAY FROM ELDER ABUSE

Safeguarding adults means protecting the most vulnerable from abuse and neglect.

During the Covid-19 pandemic, some older people may be more at risk of abuse or neglect than others. Issues can include verbal, physical or psychological abuse, financial abuse or neglect through poor levels of care.

Older people can experience abuse or neglect in their own home, in a care home, in a hospital setting or in the community.

If you see something that doesn't look right, or if you think someone is being abused, please report it to the Oldham Multi Agency Safeguarding Hub (MASH):
