

# OLDHAM SAFEGUARDING ADULTS BOARD

Training:

*Introduction to Multi Agency Public Protection Arrangements (MAPPA)*

## Background Information

Public protection is everyone's business, and the Multi Agency Public Protection Arrangements (MAPPA) set out the statutory framework to which all public sector agencies have a Duty to Cooperate when dealing with individuals convicted of the most serious offences. Regardless of your role, if someone you are working with is associated to a MAPPA registered individual or they are registered themselves, you may be called upon to contribute to the MAPPA process.

Delivered by Law Enforcement specialists from the Probation Service, this 90 minute "bite size" input is for all safeguarding professionals, managers and practitioners from across the multi-agency spectrum who work with individuals convicted of serious crimes and living in Oldham.
