What's happening in Oldham during Safeguarding Adults Week 2025?

#SAFEGUARDINGADULTSWEEK is a time for organisations to come together to raise awareness of important safeguarding issues. This year, OSAB partners will be collaborating to explore six different safeguarding themes. New practitioner resources will be launched and there will be opportunities to attend exciting training sessions, a Tri-Borough Learning Event about the Mental Capacity Act and an Immersive Learning Conference: 'Walking on Eggshells - Ending Male Violence Against Women'.

All of the resources will be for everyone across Oldham to use, so keep an eye on the OSAB website and Social Media to make sure you and the people you support are among the first to benefit! To book your places email: OldhamSafeguardingAdultsBoard@Oldham.gov.uk.
