

What's happening in Oldham during Safeguarding Adults Week 2024?

#SAFEGUARDINGADULTSWEEK is a time for organisations to come together to raise awareness of important safeguarding issues. This year, OSAB partners will be collaborating to explore five different safeguarding themes. New practitioner resources will be launched and there will be opportunities to attend exciting training sessions and a multi-agency conference: 'We Need to Talk About Hoarding'.

All of the resources will be for everyone across Oldham to use, so keep an eye on the [OSAB website](#) and [Social Media](#) to make sure you and the people you support are among the first to benefit! To book training or conference places email: OldhamSafeguardingAdultsBoard@Oldham.gov.uk.
