

'We Need to Talk About HOARDING' Conference

This Safeguarding Adults Week, join Oldham Safeguarding Adults Board for a conference all about Hoarding.

You will develop your own hoarding literacy; hear about local experiences in this complex area including the impact on children; have the opportunity to help identify gaps in local support; and have the chance to influence and shape future multi-agency practice.

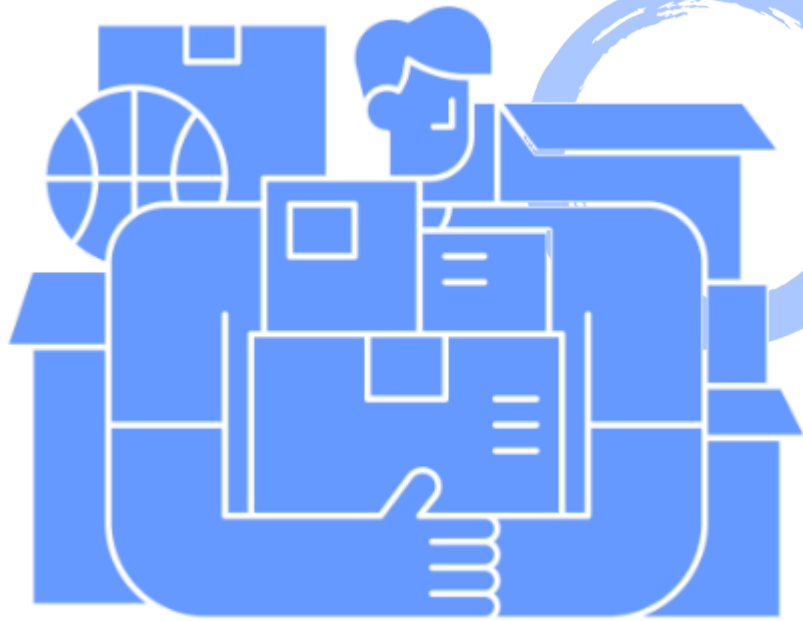

Presenters will include Karen Lloyd, Safeguarding and Mental Capacity Act Lead, Oldham Adult Social Care; Dr Faisal Parvez, Psychiatrist, Pennine Care NHS Foundation Trust; and Ian Porter, Psychologist and North West Hoarders Helping Hoarders Group Network Coordinator.

This conference is for any practitioners and staff from any Oldham agencies with experience or interest in supporting someone who is hoarding.

Booking

The afternoon will be informative, inspirational, interactive, and entertaining but places are limited and are likely to go quickly.

Contact us for more information or to book your place, send us your name, role, and email address to: OldhamSafeguardingAdultsBoard@oldham.gov.uk.
